Teaching and Learning English through the Content Areas
Focus on Writing

A. Assess your knowledge of English

Reading:	Very good	Good	Needs Work
Writing	Very good	Good	Needs Work
Speaking	Very good	Good	Needs Work

B. The simulation

Watch the 2-minute movie clip.
Writing Assignment (to be assigned)

C. Reflections on the task, the learner, the teacher and the learning and teaching processes

1. Provide examples of areas of difficulty that you experienced during the writing assignment?

2. What have you discovered about writing and language development?

3. Reflect on your insights about teaching and learning as a result of this experience?

Group A: Describe the animation, lighting, and rendering techniques that were used in this movie

Group B: Describe this movie as if it were a scene from a fiction book

Group C: Describe the animation in a language you are **least** proficient in
